

**The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-296-7179. Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	In-network---Single Plan: \$1,500 employee Family Plan: \$1,500 person/\$3,000 family Out-of-network---Single Plan: \$3,000 employee Family Plan: \$3,000 person/\$6,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. <u>Preventive services</u> and physician office visits are some of the services covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov /coverage/preventive-care-benefits</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	In-network---Single Plan: \$5,000 employee Family Plan: \$5,000 person/\$10,000 family Out-of-network---Single Plan: \$10,000 employee Family Plan: \$10,000 person/\$20,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> is met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premiums</u> , <u>balance-billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes. See <a href="https://hpiTPA.com">hpiTPA.com</a> or call 1-888-296-7179 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ).
<b>Do you need a referral to see a specialist?</b>	No.	You may see a <u>specialist</u> you choose without a <u>referral</u> .
