

In our ongoing commitment to enhancing the insurance options available to all employees, we've recently partnered with the healthcare experts at Benefits All In.

As part of this collaboration, we're introducing a new Family Survey during Open Enrollment

This survey is designed to ensure that everyone is well-informed about the support tools provided by Benefits All In and to encourage participation. Our aim is to bolster your medical coverage while simultaneously minimizing your out-of-pocket expenses.

Your active involvement is crucial, and we anticipate a positive impact for all involved. Should you have any inquiries, please don't hesitate to reach out to our HR team.

(All BAI interactions are covered by HIPAA and confidential. Participation is voluntary.)
